Decorating Ideas

- * Chinese paper lanterns are beautiful when hung in the window openings on the Pavilion.
- * Have you thought about decorating the poles at the entrance to the path leading back to the meadow? This is a great place for garlands.
- * Cake Set-up: Considered setting it up in the Pavilion. Displaying the cake in the doorway that is open to the Lake makes for beautiful photos with the Lake in the background.
- * Guest Book/Gift Table set-up: If you are having your ceremony in the meadow, place the table in the area at the beginning of the path back to the meadow. Your guests are quickly directed to the ceremony site and you have the added benefit of accessing the gifts by vehicle for loading after your event.

FYI: you do not need a gate code for the rehearsal or the day of your event. We will have the gate open for you and your guests.
